

Christian books for Peterborough Prison: From the Prison Chaplain, Michael Page: "Some of our residents ask us whether we are able to get any Christian literature for them to read ... What we're looking for are well-written books from across the mainstream Christian spectrum: they can cover things like living the Christian life, basic aspects of Christian theology, novels in which there are Christian characters, etc. Good condition please." Please bring such books to church by the 13th of May and we will take them to the Prison.
